LAURA M. KROHN

ATTORNEY AT LAW

TABLE OF CONTENTS

The following Table of Contents for The Senior Resource Guide of Rhode Island has been carefully designed to assist you in finding resources for the elderly and disabled.

The resources have been placed in an order which takes into consideration typical priority of need. The evolution of need often begins with keeping seniors active in the community and in their homes for as long as possible and generally concludes with finding the appropriate level of care to keep seniors safe and provide them with the highest quality of life.

“This resource book is filled with the kind of long-term care information that is critical for families. It is a wonderful guide for finding the most appropriate services for loved ones so that they can stay in the community as long possible.”

-Elizabeth Morancy, *Executive Director,
Alzheimer's Association, Rhode Island Chapter*

“A perfect tool for seniors, family members, caregivers, social workers, health professionals, financial planners, and other professionals serving the aging population in RI.”

-Charlene Leveillee, *LICSW*

“Finally, a practical guide to the information people need when caring for a family member.”

-Jennye Durante, *Home Instead Care*

“Going through the long-term care process with my mother was frightening; I wish this guide was available in my time of need.”

-Kathy Crouse, *Caregiver of parent with Alzheimer's Disease*
