FOR IMMEDIATE RELEASE

On April 16th, 2008 certified elder law attorney Laura M. Krohn held an event to celebrate the launch of her new book (Senior Resource Guide of Rhode Island). The event itself was held at 1149 Restaurant in East Greenwich, RI. In attendance were over 250 professionals working in the health industry. Also attending were all those who made the book possible, from editors, to fellow attorneys, and supporters from the community. The book launch was indeed a success as it was a time for celebrating all of the hard work, and determination exerted by editorial staff.

The book (Senior Resource Guide of Rhode Island) serves as an important tool to many Rhode Islanders. The guide includes listings for legal information, health care providers, emergency services, housing options, and veteran services. There are so many questions that families face as they prepare to make decisions about their loved ones. The book aids people by providing the options available to elderly individuals living in Rhode Island. Visit www.seniorguideri.com for any additional information.
